

ADDERBURY PARISH COUNCIL – ENVIRONMENT COMMITTEE

MINUTES OF THE MEETING HELD AT CHURCH HOUSE, HIGH STREET, ADDERBURY ON WEDNESDAY 24 JULY 2019 AT 7.30PM

PRESENT: Councillors Steven Cox, Ann Lyons, Garrad Millier and Keith Mitchell and Jonathan White (non-voting co-opted member of the Committee).

ALSO IN ATTENDANCE: Theresa Goss (Clerk and Responsible Financial Officer), Gareth Jones and Mike Wasley (Oxfordshire County Council).

APOLOGIES: Councillor Martin Rye submitted his apologies because he was on holiday, the apologies were accepted and the absence authorised.

Rhys Owens, (non-voting co-opted member of the Committee) submitted his apologies because he was on holiday, the apologies were accepted and the absence authorised.

In the absence of the Chairman, Councillor Garrad Millier chaired the meeting.

13/19 Declarations of Interest – There were no declarations of interest.

14/19 Minutes – Prior to the meeting, the minutes of the meeting held on 5 June 2019 had been circulated to the Committee.

Resolved that the minutes of the meeting held on 5 June 2019 be approved and signed by the Chairman.

15/19 Matters Arising – There were no matters arising.

16/19 Open Forum – There were no issues to be discussed.

(For information, following guidance from the National Association of Local Councils, the Parish Council did not specifically name individual residents and issues within its minutes)

17/19 Traffic Calming – Jonathan White referred to the individual traffic calming reports which had been produced by members of the Committee, relating to Milton Road, Oxford Road, Aynho Road, Berry Hill Road, Horn Hill Road, Banbury Road and Twyford Road. Copies were also passed to Mike Wasley for him to review.

The Committee discussed each report in turn with Mike Wasley from Oxfordshire County Council. Amendments were suggested and there were areas where further work was required. Once the reports had been finalised, copies would be emailed to Mike Wasley and then a site meeting would be arranged to discuss all the proposed traffic calming measures.

The Clerk was asked to advise Geoff Barrell at the County Council about the progress with the project and that the Parish Council was hoping to use the Section 106 funds in the coming months.

With regard to the proposed temporary closure of the road on the corner of Milton Road and Horn Hill Road (by the oak tree), Mike Wasley advised that an informal consultation process needed to be carried out by the Parish Council with residents and the companies who ran the school bus services. Once that informal consultation had been completed and if there was support from the village and the bus companies had not raised concerns which could not be addressed, the junction would be closed for a temporary period of 18 months and this was the formal consultation process. The legal work for the temporary closure would cost circa £3200 which would have to be paid for by the Parish Council.

Jonathan White also reported that he and Councillor Martin Rye had met with PCSO Lana Smith with regard to the Community Speed Watch Scheme and the fixed camera traffic monitoring. Both of these schemes could now be progressed once volunteers had been sourced. It was also reported that Deddington residents regularly carried out the Community Speed Watch Scheme and they would be able to provide advice to Adderbury.

Mike Wasley was thanked for attending the meeting and for his advice.

During the discussions, a number of actions were agreed.

ADDERBURY PARISH COUNCIL – ENVIRONMENT COMMITTEE

Recommended that the actions, as detailed below, be approved:

20/19 Trees in The Rise – The Clerk advised the Committee that she had spoken to Thames Water and there was a sewer pipe which ran through the middle of The Rise (from east to west), which would affect the tree planting in The Rise.

There were rules which had to be applied which meant that certain types of trees could not be planted within 3m, 6m and 12m of the sewer pipe, at the closest point from the fully grown canopy of the tree. The Clerk suggested that advice be sought from a tree specialist before any further progress was made on the project.

The Clerk also reminded the Committee that the Parish Council had requested that a bench be included in the plans for The Rise.

Recommended that the report be noted.

21/19 Date of Next Meeting – To be confirmed.

(Meeting closed 8.50pm)
