

ADDERBURY PARISH COUNCIL

Date of Parish Council Meeting	Tuesday 30 July 2024
Agenda Item Number	Item 9 (vi) - Biodiversity Project
Author	Cllr Jacky Atkinson
Title of Report	Parish Council Biodiversity Areas
Summary	As a Parish Councillor I have been asked by several residents to bring up the subject of the biodiversity areas in Adderbury for discussion and with a view to change
Recommendation	Discussion by the Parish Council with a view to rethink the policy
Reasons for recommendation	Residents are concerned about the poor state of the biodiversity areas and the overall effect on the village.
Impact on Budget	More frequent grass cutting could be more costly
Risks	Visual access for drivers and possible fire risk.
Background	A biodiversity policy was agreed by A.P.C. that several areas of the village would not be cut back during the growing season to allow naturalisation. Because of this, many Residents are getting upset about the untidy state and look of the village.
Supporting documents; advice, reports etc should always be attached to the report and listed here	Email from Councillors Simon Davies, previously circulated.
